“WHAT WILL YOU DO?”

(2 Samuel 11:1-27)

We are living in a world where temptation is coming at us 100mph. Temptation comes in all different forms. The devil is smart...he's going to come at us where we are the weakest. We see in the story of David and Bathsheba a recipe for disaster. David, when faced with temptation, did everything wrong. He blew it. What can we learn from David's mistakes? What will you do the next time temptation is staring you in the face?

A Recipe for Disaster:

David wasn't _____

David _____ obvious boundaries

David tried to _____ his sin

David _____ his sin

What should we do?

Live a life of _____

Proverbs 4:25-27

_____ every decision to God

James 4:7

_____ your sin

Proverbs 28:13

Be _____ to someone

Proverbs 12:15
