“LIVING IN BABYLON”

(Daniel 1:1-4, 6-8, 12-13, 17-21)

Daniel was taken from his home in Jerusalem as a young man and relocated to Babylon. He moved from a place where the Lord God was worshiped and moved to a place that rejected his God and his biblical worldview. Daniel’s example has multiple applications for us as our surrounding culture becomes less like “Jerusalem” and more like “Babylon.”
