"LET'S MAKE SOME NOISE"
(Psalm 100)

We've all heard it and we may have even said it, "because I said so!" God has every right to say, "because I said so" but instead, as we see is Psalm 100, He gives us the "why" behind the "what." Let's make some noise…because God said so and because it's an appropriate response to Him and His truth.
