“THE COMPARISON TRAP”

(Ecclesiastes 4:4-6)

One of life's storms that we don't always talk about, but many of us go through, is the storm caused by comparison. When we look at others and compare ourselves to what we assume is their “good life,” we can feel discontented, unsatisfied, and even worse - we can feel like we're no good. But God never meant for us to live our lives looking to be like others but to be like Him.

When you compare yourself to others...

-You're looking at a life you were _____

-You will always _____

-You're not looking _____

Break free from comparison

Find _____ in Christ's _____
Ephesians 2:10

Find _____ in Christ's _____
Romans 5:8

Find _____ in Christ's _____
Hebrews 13:5

Find _____ in Christ's _____
2 Corinthians 4:18
