“AN INSIDE OUT LIFE”

(Luke 12:13-21)

In God’s economy, things don’t always go the way we think they should or the way we think makes sense. So much of the world is about living for self. But God says true life is found in “inside out” living. What does it take to have an inside out life?

STEP ONE: adjust how you **see yourself...your life belongs to God**

Psalm 100:3; 1 Corinthians 6:19-20

STEP TWO: life is not found in **accumulating**...true life is found in **giving your life away**

Galatians 2:20; 1 Timothy 6:17-19

STEP THREE: look at ministry and serving as **an investment in eternity**

Colossians 3:2; Galatians 5:13

STEP FOUR: Go out there and **give your life away**
