

Bible Drill Christmas Challenge

Green Cycle 4-6th grade

Ask your parents to test you to see if you know the verse, key passage or the books of the Bible on a square.

If you know the answer, have your parents initial and put an "X" on the square.

You cannot do more than three squares a day (you are on your honor!). You have plenty of time so do your best to keep your memory sharp.

For books, you need your Bible. If you can find the book and name the book before, the book on the square and the book after, you get an "X".

For key passages, you need to find the key passage, put your finger on it, and be able to say the name of the key passage and the reference.

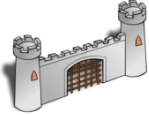

For verses, say the verse without looking at your card. You can get a few words as a hint.

Bring this card back with your name on it on our first Bible Drill class of the year and prizes will be awarded.

Merry CHRISTmas and Happy New Year!
